Ladies & Gentlemen,

“All aboard!”

This coming November I have committed to be the Ship’s Wine Host on a classic Rhine River sailing from Amsterdam to Basel Switzerland.

The Rhine River is Western Europe’s principal fresh water artery, navigable for both industrial and leisure shipping. I cordially invite you to join me on a 7 night Rhine River cruise followed by a 3-night stay and tour around Lake Como, Italy. This is a special voyage indeed, visiting Holland, Germany, France and Switzerland, ending in a beautiful part of Italy.

We’ll board the multi-award winning ship M/S AmaMora for two nights in Amsterdam, that wonderful city of canals, Rembrandt, windmills and bicycles. Then begin a voyage up the mighty Rhine River, visiting the cities of **Cologne, Rudesheim, Heidelberg, Strasbourg, Basel and Lucerne**. We’ll enjoy some of the world’s great Grand Cru Rieslings, with a full day in Strasbourg France, a remarkable city for architecture, food and wine. From Basel visit the Swiss city of Lucerne, traveling high in the Alps and along the scenic lakes of stunning Switzerland.

Western Europe in fall will be cool, uncrowded and delightful, with low airfares. On board I will hold two tastings and a paired dinner, pouring our own California wines alongside those of the Rhine and Alsace. There are special inclusions exclusively for those traveling in our group block, booked through our tour operator Expanding Horizons.
